Dear Sir/Madam:

In behalf of Dumlog Barangay Officials, we would like to extend our heartfelt gratitude to all the donors who in one way or another contributed the solution to help solve our barangay's number one (1) problem which is the garbage collection.

Recently, we have already two (2) units of garbage truck but since the old one is not functioning well we are indeed needing for another one to accommodate the collection accordingly.

Now came NPO Halo Halo generously donated one (1) unit mini garbage truck to this barangay to support the daily collection.

Again, thank you and God bless!

Sincerely yours,
